Jim Harrison – Ogle County Assessments
Curtis Cook – Ogle County Highway Department
Mike Reibel – Ogle County Zoning
Larry Callant – Ogle County GIS Partnership, GIS Coordinator

Meeting called to order @1:00 pm.

- **Meeting Minutes:**

Susie Corbitt moved to approve the minutes and her motion was seconded by Meggon McKinley. Motion approved.

- **New Membership/New Subscribers:**

No New Members

- **Project Status:**

1) 2009 Aerials

The aerial was flown on April 16th and 17th. Due to problems with the ground control points the project is about 1 ½ months behind schedule. Delivery for the first set of aerials will be mid-September. We received a sample of our aerials. The aerials show the Ogle County Courthouse and Judicial Center.

- 2) Beacon Website
The website has been running with very few problems. The website subscriptions are at the breakeven point.
- 3) Booklets
2009 Ogle County Road Booklet has been printed. They can be purchased at the County Clerk Office or County Highway Office. Sales for the Address Booklet are down.
- 4) Community Projects.
Data collection for the Village of Hillcrest utility project has been completed for this year.
We received requests from the Villages of Forreston and Mount Morris for GPS Data collection of utilities.
Fire Hydrants and shut off valves were located in Forreston.
Fire Hydrants, Storm water and Sewer utilities were collected in Mount Morris.
- 5) ArcGIS Server
We currently have Fire Hydrant information available on our ArcGIS Server for the Village of Hillcrest. We will be developing more ArcGIS Servers projects with the Forreston and Mount Morris utility information.
- 6) Partnership Visits
We are trying to visit our entire membership a couple of times during the year. Meeting our membership will give us exposure to the various boards and councils.
- 7) Partnership Membership
New Members:
Polo Fire District - Mount Morris Fire District.
Creston Park District
- 8) GIS Staff Assistance
What project do you want your GIS Partnership staff to:
Help you with?
Start for you?
Do for you?

Respectfully Submitted,
Larry Callant GIS Coordinator
