"IMPROVED MAPPING FOR INFORMED DECISIONS"

Ogle County GIS Partnership Meeting

Thursday, June 9, 2011, 1:00 p.m.
Byron City Hall
Council Chambers
232 W. 2nd St., Byron

A sign in sheet indicated the following representatives present:

Susie Corbitt – City of Polo
Ron Colson – Ogle County Board
Curtis Cook – Ogle County Highway Engineer
Mike Reibel – Ogle County Zoning
Larry Hewitt – City of Byron
Larry Callant – Ogle County GIS Partnership, GIS Coordinator
Kris Gilbert – Ogle County GIS Partnership, GIS Specialist

Meeting called to order @1:00 pm.

No quorum to approve previous minutes.

• New Membership/New Subscribers:

No new members.

• Project Status:

1) 2010 Census

Reapportionment Committee has been given the maps to help them determine how to divide the County Board districts.

2) Beacon Website

The Beacon Website is being updated

3) GPS Projects

Field work will start to pick up again as the weather is improving. The Creston and Forreton project started last year will be completed this spring/

- **New Business**

1) Partnership FTP

The Partnership's FTP site is online. Handouts were given on how to access it.

2) Ogle County EMA

We are working closely with the new Emergency Management Coordinator, Candace Humphrey, to complete an integrated network of GIS data in the Emergency Operation Center

3) Contours

We are getting ready to generate the 2ft contours early in September. Various contour generations will be test before the final product will be delivered.

4) IFiber

Ron Colson said that the IFiber project has been started. It will be going thru Ogle County via Northern, Southern, Eastern and Western routes. These routes can be viewed on the IFiber website.

Larry Callant
GIS Corrdinator
