#### **• New Membership/New Subscribers:**

No new members.

#### **• Project Status:**

##### 1) 2010 Census

The redistricting and mapping was completed. The County Board approved the redistricting.

##### 2) Beacon Website

The website has a new and improved look. The user has more options to reduce the amount of information printed. There is now a float option with the Identification ( *i* key) selected.

3) GPS Projects

Request to GPS the Cross Country Trail was made from the Oregon Park District and the Oregon School District. This was quickly completed.

The completion of the Creston project will be in the next couple of months.

4) FTP Site

The GIS Partnership FTP Site has been in use. The information and data transfer is appreciated by the membership. The lack of data delivery has been decreased greatly.

5) Sign Project

We are back assisting our membership to finish the sign management project. Some new requirements need to be addressed to finish our data to complete our grant application.

- **New Business**

1) 2012 Budget

Curtis Cook developed the GIS budget for 2012. The membership was presented the Budget at the September 8<sup>th</sup> meeting by Mike Reibel.

Motion was made to accept the budget as presented.

Susie Corbitt made the motion
