

Where do I vote?

What Precinct am I in?

You can find the answers to these questions on our Ogle County GIS website.

Go to beacon.schneidercorp.com

Select Ogle County, Illinois.

This will take you to the **Search Tab** where you can put in your **House Number** and **Street Name**.

For example, put 500 W Washington (no punctuation or street type) in the Address Search Field and click on Search>>

Click on the Map Tab near the top of the screen. It should be zoomed in to the address you selected.

Expand the **Political Districts** menu at the top of the Layer List in the upper left hand corner.

Click in the box next to **Precincts** to turn them on. Click on the word **Precincts** to move the **Identify** icon to **Precincts**.

Click (or Hover, depending on your settings) on your parcel and you will see your Precinct Number and Polling Place.
